MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: Richard J. Kerr
Deputy Director for Intelligence

SUBJECT: DDI Activity Report 30 June - 3 July 1986

DCI/DDCI Assigned Tasks

EURA prepared talking points for the DCI's European/Middle East trip; the papers included country-oriented political/economic assessments, as well as such subject-oriented papers as the status of West European dealings with Libya. NESAs also prepared talking points for the trip on the following: Afghanistan; updating the Iran-Iraq war; Israeli concerns about Syrian military developments; the attempted bombing of an El AL jet in Madrid; Syrian problems and prospects in Lebanon; Assad's internal position; keeping the pressure on Qadhafi; the status of the Libya-Chad war; and developments in North and South Yemen, as well as Saudi Arabia's view of the Yemens.

D/EURA attended a Konrad Adenauer Society meeting this week addressed by Dr. Martin Kriele, former SPD member forced out of the party because of his anti-Sandinista views. Most of the American audience took issue with Kriele's thesis that the US would regain its pre-Vietnam European allegiance if it asserted itself successfully against the USSR in the Third World. CRES hosted EOSAT President C.P. Williams for a discussion centered on the Agency's increased use of LANDSAT. It was agreed, among other things, that CRES will serve as the Agency focal point for ordering civil sensor products and for requirements related to new collection capabilities. OGI will continue to deal directly with EOSAT for agricultural and other coverage unique to its mission. [Redacted]
